American Flatbread Cheese and Herb
George Schenk started making pizzas for friends in his wood-fired stove 23 years ago, and we can see why his pies caught on: Judges raved over the extra-crisp crust—each pizza is handmade and parbaked in a clay oven. The resounding favorite: Cheese and Herb, topped with garlic oil, salt, parsley, oregano, marjoram and three cheeses. “It’s pizza in its purest form,” one taster said, “simple and earthy.” ($11.40 for 14 ounces, americannflatbread.com for stores)
